

Datum's TekCart™ Universal provides a secure and easy way to charge, store, and/or transport laptops and tablets in a school, government, training, healthcare, or corporate environment.

## FEATURES

- Stores, charges, and transports 10-16, 20-32, or 30-48 devices
- Charges via AC power strips with Advanced Timer
- External lights provide visual confirmation of which power strip is charging
- Sliding plastic Tambour Doors retract into the unit to reduce overall footprint
- Powder-coated MDF top with rounded edges and integrated handle provides a durable work surface
- Power Management Dividers (PMD) keep cables and power bricks organized
- Four 5" casters – two locking/swivel and two rigid
- An external power outlet provides power for external equipment
- Cord wrap organizes the cart power cable
- The three point locking, removable back panel provides easy, but secure access to charging components for IT personnel
- Four rubber bumpers provide protection for both the cart and its environment
